

COMPANY PROFILE 2024

**We combine technology
with innovation to help
you grow as a business.**

OVERVIEW

Mission

Our mission is to empower businesses by providing comprehensive digital transformation solutions through Microsoft technologies. We strive to digitize and optimize every aspect of your operations, unlocking new efficiencies, enabling growth, and delivering tangible results.

Vision

Empowering businesses through user-friendly ERP solutions, we are committed to fostering a seamless partnership between people and technology. By embracing innovation and personalized experiences, we move organizations forward, making technology a trusted ally on their path to success.

DEDICATED TO Microsoft

Our cloud-based solutions and services are designed to help mid- and large-size organizations operate more efficiently and effectively in today's digital landscape.

Our commitment to Microsoft ensures that we always stay ahead of the curve, so you can trust that your data is safe and secure. In 2023, we will continue to lead the way in innovation and technology, helping you reach new heights.

SUCCESS STORY

For over 10 years, **A&S Chronora**, the official retailers of **Rolex and Tudor** in Lebanon, has been our esteemed client. Seeking to enhance their customers' luxurious experience, they turned to us for the implementation of our cutting-edge solutions. [Click on the image to watch the complete success story.](#)

The graphic is a white rectangular area with a dark blue curved top. At the top, the text "Luxury Requires Quality" is written in white, with "SUCCESS STORY" in smaller white letters below it. In the center, there is a high-quality image of a Rolex chronograph watch with a light blue dial and a metal bracelet. Surrounding the watch are four logos: "CODERS" with a colorful triangle icon to its right, "a&SCHRONORA" in a brown serif font to its right, the "Microsoft" logo (four colored squares) to its bottom left, and the "ROLEX" logo (crown icon above the word) to its bottom right. A hand with a pointing finger is shown at the bottom left, interacting with the Microsoft logo.
